Hibiscus Children's Center

Hibiscus Children's Center has been *saving children since 1985*.

Together, with the support of our incredible community, Hibiscus Children's Center has grown tremendously over the years from a 6-bed shelter for abused and neglected children to providing over 1,000 children and families every month with life-changing services and resources.

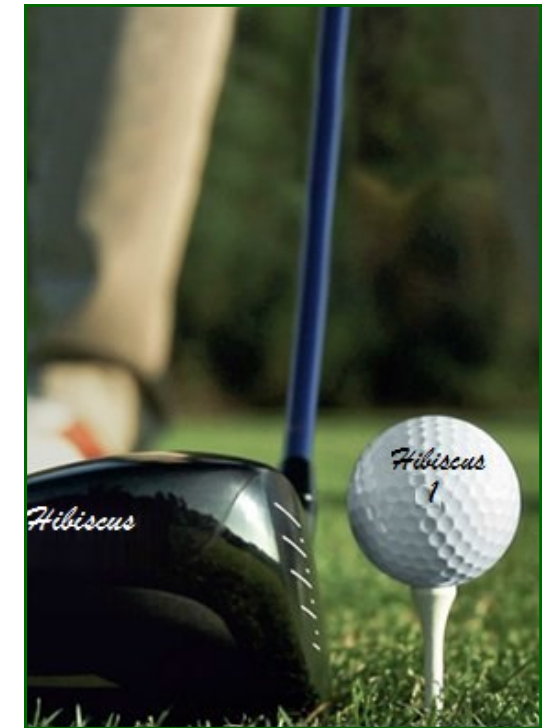

Working diligently with local and state governments to address the changing needs of our children and families over the years, Hibiscus Children's Center continues to be a leader in providing prevention, residential, shelter and recovery programs to our community. Our goal every day is to enhance and make the lives of children better and brighter so they can grow, develop and reach their potential in life.
