

An Evening in Paris

Hibiscus Children's Center
Saving Children Since 1985

Dear Friends of Hibiscus,

It is well known that children who have healthy childhood experiences and establish secure relationships in a positive family environment will reap the most benefits throughout life. Unfortunately, for those children who experience maltreatment in childhood, the opposite is true, resulting in lifelong consequences. Every child deserves a loving and nurturing environment where fear does not exist. This vision was brought to life in 1985 by LaVaughn Tilton, who believed that all children should grow up in a safe and loving home, free from abuse and neglect, after she heard the devastating news that a senseless and tragic death occurred of a child at the hands of his own father. On October 24, 1989, the first child walked through the doors of the Hibiscus Shelter in Jensen Beach with the underlying mission to maintain a safe shelter for children who are abused, abandoned, and neglected by providing prevention, early intervention, and advocacy in quality residential, assessment, and recovery programs.

The Hibiscus Center often receives children at all hours of the day and night. These children enter the shelter hungry and scared, with little more than the clothes on their backs. The stress endured from being removed from their home is traumatic. They walk through the doors of Hibiscus and into the staff's hearts, and the healing begins. It is because of your unwavering support of the Hibiscus Children's Center that we have been able to provide for 3,500 children who have suffered abuse. We want to take a moment to express our sincere gratitude from the bottom of our hearts for your generosity. It has been truly amazing in giving these children a chance to overcome the trauma they have experienced and find hope for a brighter future. It is because of donors like you and the outpouring of community support that we have been able to provide these life-changing services to children.

It is with honor we invite you to our upcoming fundraising event that is sure to be a showstopper: **"An Evening in Paris" Casino Night, on Friday, November 15**, at the one-of-a-kind **Hutchinson Shores Spa & Resort**. We hope you will consider sponsoring this event, which will enable up to 36 children in the Tilton Family Children's Shelter to benefit from our comprehensive services that will go towards their education, mental health assessments, professional counseling, and innovative therapeutic services. Your sponsorship will help guide these children towards a healthy and successful path in society to ensure they do not become a statistic of the tragic outcomes too often associated with their struggles. We are so humbly thankful for your generosity to help us create a safer tomorrow for these remarkable and deserving children.

For further details on how to become an Event Sponsor, please do not hesitate to contact Director of Events Lori Swift at (772) 634-1312 or lsswift@hcc4kids.org.

Warm Regards,

Kelley & Kate
