

## THE BLUE RIBBON STORY

In the spring of 1989, a Virginia grandmother began the Blue Ribbon Campaign as a tribute to her grandson. The three-year old died at the hands of his mother's abusive boyfriend. Since that time, concerned citizens all over the country have worn the blue ribbon during April, which is Child Abuse Prevention Month, to symbolize the need to prevent child abuse and neglect. Please wear a blue ribbon during the month of April to show your support for these children.
