

happy holidays

Created with Love

by the youth participating in the Graphic Design Impact Center at the Hibiscus Village.

Hibiscus Children's Center is grateful for the wonderful support provided to our children and families throughout the year. This year was especially challenging for all of us and your incredible support meant so much to everyone, but most importantly, to the children.

We wish you and your family a wonderful holiday season and thank you for helping make the lives of our children and families brighter!

Happy Holidays!

If you would like to make a gift to change a child's life or discuss giving options, please contact our Chief Development Officer, Michelle King, at 561.452.5791 or MKing@hcc4kids.org.
