What is Hibiscus Children's Center?

Our Mission: To maintain a safe shelter for children who are abused, abandoned and neglected by providing prevention, early intervention, and advocacy in quality residential, assessment, and recovery programs.

Hibiscus Children's Center is a safe haven for children removed from their homes due to abandonment, neglect, and abuse (physical, mental, emotional, and sexual).

Since opening its doors in 1985, Hibiscus Children's Center has provided over **325,000 nights of safety** to these abused children at the Hibiscus Tilton Family Shelter, Hibiscus Village, and Sanctuary4Kids Emergency Shelter.

Children and teens sheltered by Hibiscus are provided therapeutic counseling, their medical needs are met, and they are afforded scholastic, career development, and life skills support.

Hibiscus has the only Sexual Abuse Treatment Program that is recognized by the Florida Department of Health within District 19 (Martin, Indian River, St. Lucie, and Okeechobee Counties).

Every day, HCC is helping victims of abuse begin the healing process and build a stronger foundation for their future.
