## ABOUT HIBISCUS CHILDREN'S CENTER

 **APRIL is CHILD ABUSE  
PREVENTION MONTH**

Founded in 1985 by Martin County resident LaVaughn Tilton, Hibiscus Children's Center has been saving children for over 37 years. Each year, over 1,700 children and families receive critical services through Hibiscus' residential and community outreach programs.

Providing protection, safety and nurturing to children and strengthening families is the goal of Hibiscus—but we could not accomplish this without the support of our incredible community.

Together, we have given children something to smile about, brighter futures and the opportunities to grow and develop into their potential. Every child deserves this and we are so thankful to everyone who has supported Hibiscus and the Teddy Bear Campaign.

**THANK YOU for making a  
significant difference in their  
young lives.**

## Teddy Bear Campaign

# HOW THE CAMPAIGN WORKS

Pick your Teddy Bear up starting February 1st. Available for pick up Monday-Friday 8:30am to 4:30 pm at Edward Jones (Kate) at 600 SE Indian Street, Suite 1 in Stuart | (772) 288-5079.

Proudly display your Teddy Bear along with information about Hibiscus Children's Center. We will provide information when you pick up your bear.

Ask your customers and staff to support your Hibiscus Teddy Bear with contributions. You can make your own donation box or ask us for one.

Post pictures of your bear dressed up and we will do the same! We loved seeing scrubs on bears at medical offices and wigs on bears at hair salons when we did this campaign last year.

Businesses will get recognition on social media for giving back to the community.

Bring your donation of \$250 and Teddy Bear back by April 30th for pictures!

**We are asking each business that participates to pledge \$250.**

All proceeds go to Hibiscus Children's Center to help abused and neglected children in our community.

# TEDDY BEAR CAMPAIGN

 **APRIL IS CHILD ABUSE PREVENTION MONTH** 

The teddy bear is a symbol of a happy and safe childhood. Unfortunately, the hundreds of children that Hibiscus serves in our community have not had happy or safe childhoods. Every child deserves to be safe and experience the joys of childhood. These necessary funds raised through the Teddy Bear Campaign will help countless children move forward in the healing process and begin recovering from the trauma and abuses they have endured.
