Hibiscus Children's Center
Saving Children Since 1985

Dear Friends of Hibiscus,

"The greatness of a community is measured by the compassionate actions of its members" . - Coretta Scott King

Hibiscus Children's Center is honored to be part of the amazing Treasure Coast community that has generously supported abused children for over 35 years. Together, we have provided over 425,000 safe nights and helped thousands of abused children heal from the trauma and nightmare of abuse and find hope for a brighter future.

We are excited to share with you a wonderful opportunity to enjoy a fabulous evening with us while supporting the Hibiscus children. **"Viva Las Vegas"** Casino Night will be held on November 18th at Mariner Sands Country Club. Would you consider partnering with us as an Event Sponsor to save children's lives?

Because of supporters like YOU, children living at the Tilton Family Children's Shelter are thriving. Children like Jasmine. Jasmine was a high school junior when she came to the Tilton Family Children's Shelter. She had a low gpa of 1.4. It was imperative that she bring her score up to at least a 2.0 in order to graduate. The Shelter staff, including a Mental Health Counselor, worked closely with Jasmine to help her improve her school work and to overcome the abuse and trauma she had experienced. Jasmine began to improve tremendously and the staff was so proud of her when she improved her gpa to a 2.6! She currently has 3 A's and 2 B's, an impressive increase from the previous semester. Jasmine had also exhibited behavior challenges by not complying with the rules and being disrespectful towards staff. As her attitude began to improve in school, so did her behaviors. Jasmine was excited to participate in a local community program where she learned new skills that she can utilize for future employment opportunities.

Hibiscus cares for children who have had their innocence stolen, children who are desperately trying to recover from visible and invisible scars. Jasmine is just one example of our many success stories because of our wonderful supporters. Thank you for sharing our vision to keep victimized children safe and help them overcome trauma that no child should have to endure. Your sponsorship will help ensure these precious children do not become tragic statistics, but thriving and successful young adults. We look forward to hearing from you and to partnering together to give children a bright future filled with hope.

Please feel free to contact me with any questions at (772) 634-1312 or at lswift@hcc4kids.org. On behalf of the children, thank you for changing their lives and creating a safer tomorrow.

Sincerely,

Diana Baker
